Application Questions: Limit of 500 characters but really important

What are your internship tasks, projects & responsibilities?

How have you prepared for this internship?

How will your internship impact your career and/or academic plans?

Are you receiving any kind of compensation for your internship? Examples: salary, stipend, bus pass, lunch, etc.

How will GIF assist you?

Are there any special circumstances that would be helpful for the committee to know?

Resume: attach PDF

Electronic Signature for Student Affirmation of Permission: grant permission for course verification & judicial check.
